

LPGas Safety Advice

For Persons and Companies Recovering from Bush Fire Damage

For Domestic, Commercial or Industrial LPGas Cylinders or Tanks:

If you have an Emergency involving LPGas you should immediately Phone:

FIRE BRIGADE 000

If it is Not an Emergency and you have other concerns about your LPG Cylinders or Tanks, including arranging the collection of ones that have been exposed to fire, you should ring your LPGas Supply Company on:

ELGAS	131 161
KLEENHEAT GAS	132 180
ORIGIN	1800 808 526
POWERGAS	(03) 9305 3415
SUPAGAS	137 872
UNITED GAS	1300 655 784

Or if you do not know your Supplying Company phone

1800 808 526

For BBQ and other Leisure Cylinders:

the LPGA recommends that if your Cylinders have been exposed to Fire or are damaged they should be surrendered to your LPGas Supplier for safe decommissioning and destruction
